Re: Deficiency Filing #46, Motion to Extend Time
Case No. 4:20-CV-00374-DPM, Brock-Burchett v. McNew Fabrication Inc et al

Dear Mr. Short:

The Clerk's office reviewed the above-referenced document, which was filed electronically, and found it to be deficient as follows:

Motion for continuance/extension of time does not contain a statement that the movant contacted the adverse party with regard to the motion (Local Rule 6.2(b)).

To correct a document that has been filed, please email the corrected document in pdf format to the Clerk's office at clerksoffice@ared.uscourts.gov. **Do not refile the document.** The original document will remain on the docket, and the response time will run from the date of the original filing. Please electronically file a new supporting brief, corporate disclosure statement, or diversity disclosure statement.

Sincerely,

TAMMY H. DOWNS, CLERK
